LTI 1.3 Integration

Powered by  Cerego

Create a Cerego LTI Key

Integrations made easy!

A screenshot of the Cerego Admin interface. On the left is a dark sidebar with the Cerego logo and navigation links: 'Team Cerego', 'Signed in as: Admin', 'Dashboard', 'Courses', and 'Admin'. The main content area is titled '< OAuth' and shows a 'New OAuth Client' dialog. The dialog has a dropdown menu currently set to 'LTI 1.1/1.2/SAML', with a list of options: 'LTI 1.1/1.2/SAML' and 'LTI 1.3'. The 'LTI 1.3' option is highlighted with an orange border. At the bottom of the dialog are 'Cancel' and 'Create' buttons.

Copy Client Details

Cerego provides all
information you
need.

OAuth Client Details

For use with LTI and SAML integrations

Redirect URI/Target URI

Client Identifier
This must match the LMS "sub" claim. In canvas, this is located in Admin -> Developer Keys, under the "Details" column. In Brightspace, you find this in your LTI Advantage -> Brightspace Registration Details, under "Client Id".

Paste Client Details into Key Settings

Allow Brightspace and Cerego to do the heavy lifting.
